☒ I/We did not use any AI tools or technologies to complete the coursework.

☐ Other declarations:

- _____
- _____
- _____
- _____

☐ **[For TEAM SUBMISSION ONLY]:** We mutually consent that both of us will be awarded the same grade, and no appeals will be pursued regarding individual contributions to the coursework.

(Signature of Student 1)

(Signature of Student 2 (optional))

****[IMPORTANT]** You have the option to provide either a digital signature or print the form, sign it manually, and then provide a scanned copy of the signed form. Please ensure the form is in PDF format and submit it via the Moodle platform (Coursework – Coursework Declaration Form). In cases involving student teams, it is essential for both students to individually submit the form with both students' signatures provided. Please be aware that failing to submit this declaration form will result in a score of zero (individual) for the coursework.
